SECURITIES AND EXCHANGE COMMISSION  
Northeast Regional Office  
7 World Trade Center  
New York, New York 10048  
BY: ALISTAIRE BAMBACH, ESQ.

1 THE COURT: But, there were -- there were  
2 persons in that class.

3 MR. HARBECK: Yes, sir, there were persons who  
4 deposited money with at least one of them, and I assume  
5 with the Debtor --

6 THE COURT: Okay, well, we're --

7 MR. HARBECK: -- to buy those.

8 THE COURT: -- assuming that, for the purpose  
9 of argument, --

10 MR. HARBECK: Correct.

11 THE COURT: -- with the Debtor.

12 All right. So, what's the second kind of  
13 claim?

14 MR. HARBECK: The second kind of claims are for  
15 people who bought real honest-to-goodness mutual funds.

16 THE COURT: Okay, and that's different from  
17 securities.

18 MR. HARBECK: No, they are securities, but  
19 they're real securities, unlike these fictitious shares of  
20 the New Age Money Market.

21 THE COURT: But, SIPC draws a distinction for  
22 purposes of administration of this case, between my having  
23 shares of IBM, versus my having shares of --

24 MR. HARBECK: New Age Money Market Fund.

25 THE COURT: No, no, no. Third category.

1 MR. HARBECK: No. The mutual fund shares are  
2 just the kind of securities these people bought. You  
3 could think of them in terms of being IBM, if you want.  
4 It's the same -- same analysis.

5 THE COURT: Okay. But, it -- at the macro  
6 level, the mutual fund has securities. Those may be IBM,  
7 or anything else.

8 MR. HARBECK: But it, itself, is a security.

9 THE COURT: But, I -- but, I have some kind of  
10 percentage interest in that mutual fund.

11 MR. HARBECK: You have shares in it, and those  
12 shares are securities.

13 THE COURT: Okay, all right.

14 So, from the -- whether I have direct shares  
15 or, in effect, indirect shares, you don't care.

16 MR. HARBECK: No, we do. You have direct  
17 shares of the mutual fund, and here is where Congress  
18 comes into play.

19 THE COURT: Okay.

20 MR. HARBECK: To the extent members -- people  
21 who dealt with this Debtor bought any kind of securities  
22 and want those securities, --

23 THE COURT: Okay.

24 MR. HARBECK: -- Congress put them on a short  
25 leash, and this is a very specific leash. It says if you

1 file within sixty days, you'll get the securities,  
2 absolutely. If you file between sixty days and six  
3 months, the Trustee will have an option --

4 THE COURT: Well, wait a minute. I get the --  
5 I get the shares absolutely. Okay.

6 MR. HARBECK: The Trustee will have an option  
7 to pay you in either the shares or the value of the shares  
8 on the filing date of the bankruptcy.

9 THE COURT: Okay, so, now tell me the economic  
10 consequences of filing before sixty days and after sixty  
11 days, if you --

12 MR. HARBECK: Some people could win; some  
13 people could lose.

14 THE COURT: -- deposited monies for a mutual  
15 fund that has a fluctuating value.

16 MR. HARBECK: No, you -- at this point, the  
17 shares -- the mutual fund shares should be in your  
18 account. It's not depositing money for them. You've  
19 bought them. You've got a confirmation -- you've got a  
20 statement from the firm, saying you have in your account  
21 shares of one, two, and three different securities. These  
22 securities happen to be mutual funds.

23 THE COURT: Okay.

24 MR. HARBECK: And, what Congress did is  
25 Congress said, --

1 THE COURT: Okay, so, you're telling me that  
2 this is very different from the open transaction.

3 MR. HARBECK: Correct.

4 THE COURT: Okay, so, now we're dealing with a  
5 closed transaction, where the money is there, you have  
6 interest in a --

7 MR. HARBECK: The securities are there.

8 THE COURT: -- real --

9 MR. HARBECK: Not the money is there. The  
10 securities are supposed to be there.

11 THE COURT: No, no -- yeah, you have -- you  
12 have an ownership interest in the securities; namely,  
13 shares of the mutual fund, of a mutual fund that is real,  
14 existing as of the petition date.

15 MR. HARBECK: Dreyfus, Janus, you name it.

16 THE COURT: Okay.

17 MR. HARBECK: Now, what Congress did is it said  
18 it wants to give the Trustee and SIPC a very good idea of  
19 what securities have to -- that the Trustee is going to  
20 have to go out into the marketplace and buy. So, if you  
21 file within sixty days, you'll get the securities, without  
22 question. Whether -- if they triple in value, you'll get  
23 the securities.

24 But, if --

25 THE COURT: Even -- even if --

1 MR. HARBECK: Even if they're not there.

2 THE COURT: Even if they're not there.

3 MR. HARBECK: Correct.

4 THE COURT: In other words, if the money was  
5 diverted, converted --

6 MR. HARBECK: And the securities were never  
7 purchased.

8 THE COURT: Okay.

9 MR. HARBECK: And, if those positions triple,  
10 we will gladly give the people their securities positions.

11 THE COURT: But, you've got to jump.

12 MR. HARBECK: But, you've got to act fast,  
13 yeah. And, Congress did that --

14 THE COURT: Because -- because --

15 MR. HARBECK: -- because of the fluctuations.

16 THE COURT: -- because there's a concern --  
17 because there's a concern that the value of this mutual  
18 fund might skyrocket and it's going to cost SIPC a lot  
19 more money.

20 MR. HARBECK: Six months down the line, that's  
21 right.

22 THE COURT: Okay, all right. And, you don't  
23 want people playing games with you.

24 MR. HARBECK: That's correct.

25 THE COURT: Deciding when they're going to --
